Skills

- Java
- Python
- Node.js
- HTML5
- CSS3
- JavaScript
- Figma
- Node.js
- MySQL
- MSSQL
- MongoDB

Summary

MCA graduate with hands-on experience in full-stack web development using Node.js, MongoDB, and modern JavaScript frameworks. Built and deployed multiple real-world projects, including a real-time cryptocurrency dashboard and AI-powered video generator. Strong problem-solving skills, adaptability, and commitment to delivering high-quality, scalable solutions. Seeking an opportunity in Mumbai to apply my skills in a dynamic work environment.

Education

Navinchandra Mehta Institute of Technology and Development, Mumbai University

Maharashtra

2018

Yogiraj Shree Krishna Vidyalaya, Maharashtra Board

SSC, CGPA: 62.00
Maharashtra

2016

Experience

Independent Full-Stack Developer

Independent Full-Stack Developer

2023 - 2025

- Worked on multiple self-driven projects, including AI-based tools, real-time dashboards, and web platforms.
- Managed full development lifecycle from design to deployment.

Awards

- TechWizard
- Online National Level Mathematics Quiz

Certifications

- MTA - Introduction to Programming Using Python
- MTA - Introduction to Programming Using JavaScript
- HTML5/CSS3 Web Design
- SQL
- Java Programming
- JavaScript Web Projects: 20 Projects to Build Your Portfolio

Projects

- Real-Time Crypto Price Dashboard - Developed a full-stack web app (Node.js, MongoDB, HTML/CSS/JS) using CoinGecko API to fetch and display live cryptocurrency prices, enabling historical data tracking and real-time refresh.
- AI Text-to-Video Generator - Created a Node.js tool integrating FFmpeg and TTS APIs to convert scripts into narrated videos with automated scene generation, improving content creation efficiency.
- GROUPIES Web App - Built a communication platform (Node.js, Express, MongoDB) with video/audio calls, screen sharing, chat, recording, and feedback system.
- Online Teaching Website - Designed a virtual learning platform using ASP.NET and MSSQL Server.
- Portfolio Website - Designed a personal portfolio site "Dark Hunter" with high-tech UI to showcase projects and skills.
- WordPress Movies Download Site - Developed a website for streaming and downloading movies using WordPress.
